## Chairman's Report AGM 2012

Welcome to the Leagues AGM for the season 2012/13 – the Leagues 47<sup>th</sup> Year of existence, and the end of my 4<sup>th</sup> Year as Chairman.

### **The Leagues Success's**

So where to start when we have a year in which we have extraordinary events going on in the country – Diamonds Jubilees & the 2012 Olympics, well it's been an extraordinary year for the Surrey Youth League as well. At the last AGM I announced our success as the South of England's Charter Standard Youth League of the Year, which has been followed up this year with the Bronze Award for the Respect Campaign, and just announced on Friday the Surrey Charter Standard Youth League of the Year, for the second successive year.

Why would the league win these awards, to my mind it evolves around three areas:

- Pioneering
- Scale
- Structure

### **Pioneers** – in line with the National Game Development – Children Centred Football

This is an area that we have excelled in over recent years, u7/u8 slow start, tackling the decline of u18 football and last year the biggest success ever – the u11 9v9 football. The Pioneers – this was you, it was your clubs and managers that said "Lets go for it" back in November 2010 – Pioneers and what a success, 73 teams, new rules, new pitches and really no issues, a true success.

With our pioneering in Surrey and a few other Leagues scattered throughout the country, a thorough consultative and information dissemination by Nick Levett, the National Youth Development Manager, the FA council have formerly approved new guidelines and rules for Youth Football – 5v5 (7's/8's) for us 7's this year, 9v9 for 11's & 12's (We are already there this season) and a little bit of slow start football for u9's & u10's In future years.

In addition the campaign for U17/U18 roll on roll off substitutes has been approved for a trial over the coming season's, of which we will be participating. All of this has been achieved through close collaboration with the Surrey FA Development team led by Caroline McRoyall.

In amongst this Pioneering is our referee appointment and support structure. I am not sure Alan Wiggins will see himself as a Pioneer, but in appointing around 60-100 referees on a weekly basis, has no equal in any League in the county of Surrey. He provides a truly wonderful service year in and year out. In addition we do recognise that we get lots of young referees keen to learn their trade and as such Steve Worsley has stepped in to try and structure a support environment for these referees, yet again another pioneering area in the County of Surrey. Further work to do but baby steps required here.

### **Scale** So now to Scale – just incredible

Just 4 Years ago 447 Teams, today 680, to give you an idea the last season consisted of over 5000 Matches organised & played, 8200 players registered, 120+ Referees & 17 cup finals organised.

This scale has occurred I believe because we have given you and more importantly what the Children want - organised, predictable, regular, flexible and enjoyable football. We have demonstrated that as a League we can deliver this scale, meeting all the demands of disciplined organisation that scale brings.

### **Structure**

An incredible hard working committee, special mention to our Fixture Secretaries who carry out an awful lot of work . We have an admin system that supports all of this work, Prawn Sandwich, which we have signed up for again.

We have a set of rules that hold us in good order, from time to time we have to use them as it is these that provide for a balanced resolution to many of the issues we come across. Not one appeal went to county last year, a tribute to the balanced approach and rule set we adopt.

### **Football**

A little bit about the football, we thought we had it cracked with the weather, then February came and the Snow arrived, then just as we are coasting to a season close – two weeks of torrential rain, which left some divisions unable to fully complete their seasons, which was disappointing, but unavoidable.

Cup Finals – for the first time I can recall one weekend was washed out, but through some hard work from Frank and special thanks to Ashford for postponing their end of season pitch renovation and Carshalton Athletic for their facilities, we managed to squeeze the finals in by the last day of the playing season.

Above all a huge thank to every one of you and your managers for being organised and structured and playing the matches in what I was observed were fantastic atmospheres.

A big success again in County Finals, Teams winning in Surrey & Middlesex.

## **Discipline**

in truth very little that the league had to deal with – again I will re-iterate on field and near field discipline issues are county issues, not league issues. The issues we came across were without exception all related to Adult misbehaviour and not any of the Boys or Girls, we all need to note this point.

We held a fair play evening – structured and help offered, I think all the teams, less than a handful, that attended were supportive and understanding of the process, and now have a few pointers to improve on.

## **The Team**

All of our work is covered by so many people, everything from Finances to Development Groups to Organisation of Presentations, and arrangements for meetings such as this, along with the Fixture management I mentioned previously, too many names to mention.

I would like make special mention of Philip Marshall QC who has stepped down as Discipline Officer, due to a variety of reasons, personal, but also indeed that Discipline is less and less a real function of the League as this is handled by County FA's, however we are delighted that Philip has accepted a role as Vice President of League and has made himself available to act in any advisory capacity as we may require from time to time

But above all there is one man who holds all of this together, Frank, managed in his own way and his own style, however it's done with good humour, dedication and a vision of Child Centred Football, a huge thank you to him for providing the platform for, what will be, 9000 children to play football next season.

## **Summary**

As we look forward to 2012/13 - 680 Teams – another 100 up, a second season of 9v9 for 11's & 12's, u7's 5v5 and u18's roll on, roll off – more pioneering activity.

Our Finances are sound, Our Team is strong and "You" our membership are very supportive,

Let's look forward to 2012-2013 some challenges along the way. But please carry on with the Pioneering ethos that is at the heart of the Surrey Youth League in recent years.

## Prawn Sandwich 2013 – 2014 Configuration & Registration Guidance

Dear Club Secretary

For our existing clubs / secretaries Prawn Sandwich will this season be far simpler configuring for the new season.

For all new clubs or those that need a reminder we will email out the Full Instructions on how to use Prawn Sandwich, shortly after the AGM. This will include Log in information for new club secretaries, or changes of club secretaries.

For Existing Clubs the following will apply.

- 1) Last years log in info is the same for club secretaries and all their managers and officials.
- 2) You can now start to check and ensure that all your "Staff" information is correct in terms of contact information, email and phone numbers – this year PS will be the primary source of contact details.
- 3) You can also fill in the general club details such as colours, and County FA registration numbers, Charter Status etc.
- 4) Your Teams will be added to Prawn Sandwich by the League, we intend to have this completed by 20<sup>th</sup> June. You will not be able to add or delete teams this season. If a team withdraws please contact the League General Secretary (Frank Thompson) ASAP.
- 5) Once we have added the teams, we will tell all club secretaries, you can then assign the Managers and Assistants to Teams, instructions are in the Full Instructions that will be emailed out after the AGM.
- 6) You now only have the players to register & configure. Please take note of the following:-
  - a. For Players staying at the same club then you will find the player in your clubs database, just assign the player to the team and tick the "Request Registration" box and "Click to save".
  - b. For all New Players to a club, those joining from inside or from outside of the SYL, you will have to follow the full PS registration process for those players.
- 7) Player Registration on Prawn Sandwich **MUST** be completed before submitting your forms with photographs at the Registration Evenings, failure to do so, may result in your forms being rejected.

It's a year since many of you used the administration area of Prawn Sandwich so please email if in any doubt and we can help, it's far easier to deal with queries than people struggle and get things wrong.
