CHAIRMAN'S REPORT AGM 12TH JUNE 2013

First of all, a big thank you is due to Karen and the very small number of League Officers we have who do a huge amount of work in providing football for the girls from September to May in very difficult circumstances this year.

Last season was difficult with atrocious weather and we lost more games than I have ever experienced. Week after week there was one thing after another but we managed to get through it with a little bit of pain but it is a credit to the Clubs who work with the Fixture Secretaries to get the games played and congratulations should go to the Managers and people at your Clubs - we are very grateful.

Looking back at last season, there was a challenge with some League formats and some were forced to play in formats that weren't wanted which was difficult. It exposed some things in losing teams and losing girls out of the game and I received letters from various people, including Hope Powell, concerned parents and some players. It was a sad event but that's the reality unfortunately.

On the bright side, U9 4v4 festivals were held for 9 teams who played at different locations organised by Jon Burr. This was successful and those teams are now moving forward into U10s this year. Regarding Cup Finals, Karen, her mum, John Sparkes & Bob Marchant do it single-handedly and they are decent showpieces. The trophies and awards we made were a great credit to the League.

We got involved in the Charter Standard scheme and were given £1,500.00 by SCFA to promote that and we hope to focus on it some more this season. We offered Courses, in conjunction with the SYL, and I would like to see more opportunities taken - Level 1 Courses were completed by 40 people and many undertook the First Aid & Safeguarding Courses, which was successful and we will look to continue it. One of the nice things of last season was, it was only our first year as a Charter Standard League, but we were commended by the National Respect Committee for the work we do around Respect, in recognition of what we do and what you all do in terms of sportsmanship marks and how you behave and treat each other. There were a few incidences last season but most games were played in good spirit and in the right atmosphere and, hopefully, we can move forward.

About 10 teams have expressed an interest in U9 next season and Jon Burr and I have negotiated a Grant from the FA for a set of 6 balls and pop-up goals which will be rolled out in the summer. You only need to find 4 girls aged 8 or 9 and a reluctant mum or dad and away you go! It is very simple. Let's get these young girls involved in football at an earlier age.

We have gone down the "development" route for U10s. I have spoken to a few people over the last few weeks and I think it will help us in the future - we need to look to the future and look at the bigger picture for the whole of the good of female people. We need to involve and retain more girls.

We have looked at the formats and there is a clear disparity across the League Tables and has been over the last 5 or 6 seasons. Some teams were lumped into one Division last season. Some teams are excellent but the teams at the bottom are just starting out and learning to play the game so there is a huge void. We hope to roll out 3 Divisions at as many age groups as possible. If you don't like the formats when they are published, please e-mail me or Karen and we can try and juggle things. We need to provide competition for every girl at every level and some teams will move up a year. I would ask you to move forward with us and think of the big picture. We are stable but we are losing teams and Clubs and girls as we go along.

Moving on to Charter Standard, as a CS League, we run at about 85% of teams have achieved this. I wrote to all Clubs back in January and a few Clubs received help to achieve it. I will hold a night for non-CS Clubs soon after the season starts - it is achievable and it improves standards. We will help you achieve it with Courses and money.

Finally, I just want to say that this all about enjoyment and the girls having a good time. It is easy for us all sometimes to get carried away. There are some wonderful FA pamphlets available at the back of the room and I will circulate links soon which contain some good information and resources. Please help yourselves and display the posters in your Clubs. It is all about promoting female football and I wish you all a successful season next year.

PRAWN SANDWICH 2014-2015 CONFIGURATION & REGISTRATION GUIDELINES

Full instructions on how to use Prawn Sandwich will be e-mailed to new Clubs after the AGM. This will include log-in information and guidelines on how to use the system. Any existing Clubs who would like a reminder should e-mail a request to Karen Bailey.

The following applies to existing Clubs:-

- 1. Last season's log-in information (User Names & Passwords) will remain the same for Club Secretaries and all their Managers and Officials.
- 2. Please check/update all contact details for Managers & Staff (including e-mail addresses and telephone numbers). It is important that this information is correct and up to date.
- 3. Please complete all other Club details such as Club Colours, County FA Affiliation Numbers, Charter Status etc.
- 4. All Teams will be added to Prawn Sandwich by the League and Club Secretaries will be advised when this has been done (hopefully by mid-June 2014). You will not be able to add or delete Teams. If a Team withdraws or you wish to enter another Team at a different age group you must e-mail Karen Bailey. Once all the Teams have been added, Club Secretaries must then assign Managers and Assistants to Teams.
- 5. Club Secretaries then need to register Players to Teams:-
 - (a) Existing Players staying at same Club
 Find the Player in your Club's Database, assign the Player to the correct Team, tick the
 "Request Registration" Box and "Click to Save".
 - (b) New Players to a Club
 Follow the full Prawn Sandwich registration process for these Players.

PLEASE NOTE that Player Registration on Prawn Sandwich <u>MUST</u> be completed before submitting Team Registration Forms at Registration Evenings. Failure to do so will result in Forms being rejected.

We appreciate that it will have been a year since many of you last used the administration area of Prawn Sandwich. If you have any queries, please do not hesitate to contact Karen Bailey via e-mail at karen.bailey@scwql.orq.uk. We would rather you ask than struggle and get things wrong.
