

Season 2017- 2018 League Format

VERSION 1 - 10th June 2017

Please find below the Competitive league formats for the 2017 / 2018 Season – Age Groups U12 – U18. The Leagues are formulated by the League Chairman & General Secretary, this is based on the final league positioning from last season, personal preferences of teams and an assessment of standard of new teams joining the league.

We are as confident as we can be that we have positioned teams in leagues that should give all teams the ability to fairly compete in a standard, bearing all the above factors in mind. We have worked hard to grant all your wishes and where possible place you in the ability that you requested. Sadly we have not been able to please absolutely everyone with their exact requests, we suspect that some new entrant teams will be disappointed.

Please look carefully and where you believe there are mistakes in team names or a genuine belief that we have made a mistake in positioning a team, please give a full rationale as to the basis of request, then contact, via email, Graham Ekins [Chairman] g.ekins@btinternet.com & Frank Thompson [General Secretary] frank.thompson@btinternet.com

This is only the start, the first step, we are generally able to align requests. Once we have assessed a number of requests we will republish any changes **around early July** as we will get withdrawals along with requests to go up and some to come down. We will make no promises, but we will try.

18 Matches - Teams play each other twice

18 Matches - Teams play each other twice

These five leagues will compete for the Invitation Cup

We expect normal promotion and relegation of 2 up 2 down to take place for all divisions.

Under 13

Please Note that due to some very clear standard disparities last season, there has been some adjustments whereby some teams have been moved up two divisions and a few have been moved down two or more divisions. This is to try and ensure teams are placed in the correct standards. This is all based on last season's performance.

We expect normal promotion and relegation of 2 up 2 down to take place for all divisions.

Under 18

This season formatting the U18's will go through two stages. Initially we will publish what we believe to be rough standards, along with the predominant age group the team forms, this maybe wrong please correct us if so. These groups are bigger than divisions will be, this is to allow us flexibility to move teams around and account for the inevitable withdrawals at this age group.

Once everyone has had a chance to suggest changes we will then form the divisions, this will happen around early/mid July.
