

Season 2017- 2018 League Format

VERSION 4 - 30th July 2017

Please find below the Competitive league formats for the 2017 / 2018 Season – Age Groups U12 – U18. The Leagues are formulated by the League Chairman & General Secretary, this is based on the final league positioning from last season, personal preferences of teams and an assessment of standard of new teams joining the league.

We are as confident as we can be that we have positioned teams in leagues that should give all teams the ability to fairly compete in a standard, bearing all the above factors in mind. We have worked hard to grant all your wishes and where possible place you in the ability that you requested. Sadly we have not been able to please absolutely everyone with their exact requests, we suspect that some new entrant teams will be disappointed.

Please look carefully and where you believe there are mistakes in team names or a genuine belief that we have made a mistake in positioning a team, please give a full rationale as to the basis of request, then contact, via email, Graham Ekins [Chairman] g.ekins@btinternet.com & Frank Thompson [General Secretary] frank.thompson@btinternet.com

This is only the start, the first step, we are generally able to align requests. Once we have assessed a number of requests we will republish any changes **around early July** as we will get withdrawals along with requests to go up and some to come down. We will make no promises, but we will try.
