A Message from the Chairperson

I would like to extend a warm welcome to all the Club Officials, players and, of course, the families and supporters of those taking part in our Cup Finals.

A special thank you should also be extended to the League Officers who have worked so hard throughout the season to organise the Competitions, particularly Frank Thompson for co-ordinating the Finals singlehandedly.

As usual, we are privileged that these Finals are being hosted at Grounds with fantastic facilities and we are grateful to Bedfont Sports FC, Leatherhead Youth FC, Manorcroft United Juniors FC, Westfield FC, Metropolitan Police FC & Carshalton Athletic FC for allowing us to use their venues this season. Thank you also to the Match Officials who have played their part throughout all Rounds of the Competition culminating in the Finals today.

My inaugural season as Chair has seen the SYL facilitate football for record numbers of children and the League continues to grow and develop. My fellow League Officers & I are proud to be involved in an organisation that brings children (and parents) together to form lasting friendships and fond memories.

I must extend my congratulations to everyone who has reached the Finals. I hope that the weather is kind and you all enjoy the experience, whatever the result.

Karen Bailey SYL Chairperson www.wsyl.org.uk

If we behave positively during practice and matches, our children will too.

By setting a good example, we'll help build a supportive environment in which everyone can enjoy themselves.

Surrey Youth League CUP FINAL OFFICIALS 2018 - 2019

On behalf of the league management committee, and of course all the clubs, boys, girls and parents I would like to take this opportunity to say a huge thank you to all the referees who have given up their time during the season to ensure we can play football. It is no easy task, and whether having been appointed by the league or the clubs themselves we owe them all a massive thank you.

Too often the person in the middle is taken for granted and performs a thankless task. Over the past few years, we have been able to appoint more referees to league matches. This is due to the hard work and commitment of the referee's secretary **Alan Wiggins**, who does an amazing job every week. The planning of this is often subject to last minute change. His role requires a particular patience and dedication not many of us are capable of.....Thank You Alan.

The league would like to thank all the officials who have worked so hard for the league this season, and especially those who officiated at our semi finals, and of course the finals today.

Special thanks to our own Development Officers **Stephen Worsley** and **Sara Williams** for their efforts in helping with new referees and mentorship. We would also like to thank **Ray Herb** and **Tim Lawrence** from Middlesex and Surrey FA, for their support to our referees and the league in general.

I hope the match officials have a splendid day, and wish all the teams involved the very best of luck.

Frank Thompson General Secretary

Whyteleafe Youth FC

Firstly, thank you to Leatherhead Youth FC for hosting the Cup Final matches. I've had the pleasure of coaching most of these boys since U7's and was lucky to secure a few new players which has made our squad even stronger! They've got a great team spirit and work ethic. I'm immensely proud of them for their tenacity, determination and passion for the game. Their efforts have been rewarded in reaching this Cup Final in our very first season in Surrey Youth League! Big shout out to our team of fantastic coaches too for all that they do. Also a huge thank you to our parents and supporters who give the boys' encouragement week in, week out. I can't wait to coach the team in what will be a cracking Cup Final! All the best to our opponents; Sutton United. Enjoy your day Whyteleafe. Play hard, work harder and GOOD LUCK! And remember; the only time 'success' comes before 'work' is in the dictionary.
Coach Corey

Sutton United

This is a quality team that never knows when it is beaten - an amazing group of talented individuals who when they pull on the yellow shirt play for each other with skill, determination and hard work. They have won multiple tournaments up and down the country, an ESF national title and remained unbeaten through a whole league season but this cup is one thing they have not won! Today they hope to put that right after a semi final loss on penalties to Esher last season. The early rounds were navigated safely a 12-1 (Albie, Daniel, Joe W 4, Kamran, Luyanda 2, Joe F, Darius & Finn) win against Mayford Athletic giving an early insight in to the importance of this competition to the boys coming back superbly after going behind to an early penalty! A 6-2 (Luciano 2, Joe W 2, Kamran & Luyanda) win away at Kingstonian in heavy conditions followed before a 3-2 (Joe W, Albie & Kamran) win away at Leatherhead in the quarter final secured their place in the semi final again against the same opponents as last season! A fantastic 4-0 (Albie, Luciano, Anthony & Luyanda) victory followed against Esher Wizards and gave redemption for last year in a simply awesome performance to secure their place in today's final! They boys are motivated and determined to lift the trophy this year but a super Whyteleafe team is sure to make this cup final one not to be missed!! Good luck to this wonderful team your parents will be cheering you on from the sidelines!! Win this one for Luyanda - YELLOWS!

Walton & Hersham Swans.

Walton & Hersham Youth FC were setup only 5 years ago and now boast 18 team. James has been managing the Swans since its creation and the club as a whole are going from strength to strength. Our brand of football, our club and its positive culture are really making progress as evidenced by Swans reaching its first final. We have developed and maintain a fantastic ethos at the club - both on and off the pitch and this is evident at every training session and match - a club built on the goodwill of an ever-growing community. As a club we pride ourselves on creating healthy competition that supports the continual growth and development of player's skills and abilities. We promote an atmosphere of respect, positive support and encouragement for all players.

Sheen Lions Pride

The road to the final began on a very wet and windy day away to a St Helier Team that were unbeaten all season. St Helier took an early 2 goal lead and were the better team. The Pride then staged an incredible fight back scoring on the stroke of half time and then again close to the end. Penalties were looming until the very last attack brought a dramatic winner. Ashted were next up and played some great football in the early stages but a quick burst of three goals towards the end of the first half settled the game. A tough draw in the quarters away to Hampton & Richmond. A 2-2 draw the week previous in the league suggested this would be a very tight game. The Pride, however, decided to put in their best performance of the season winning 6-1. The semi was the following week at home to Claygate Foleys. The good form continued and the boys played a near perfect game to secure a place in the final. A really great bunch of boys that just loving playing football. They learn from the exceptional coaches at Sheen Lions and work hard to improve as a team. Reaching a second successive cup final is testament to their hard work and strong team spirit. Good luck boys.

Corinthian Casuals Whites

The past few years have been a fantastic journey of trial and error, patience (a lot of patience) but most importantly enforcing team work, understanding and respect amongst the boys. Our main purpose was to give everyone a chance to play, providing these boys a love of the game and a competitive attitude to win but also a valuable lesson learnt from loss. We have come along on a fantastic journey, bolstered by a squad of superstars that are all a joy to have in the team. Headband Louis, mini machine Frey, Oliver hard nuckle G, Jamie the bullet, Chester the wall, Filip little quick legs, Patch schmeical, Harrison the messi, Keir midfield dynamo, Luke bring the thunder, mini Leon the brave, Arthur brave heart, Cassian lighting Thompson and Oliver the trick master Henry. There is no I in team and that is a true statement to be made regarding the journey of these boys together. We are in the Final, win or lose this really puts the icing on the cake, not just for us managers and coaches but to what the boys truly deserve for a great season. A MASSIVE thank you to all the families supporting our boys on this journey and we hope you are extremely proud of our group as Darren and I (Leon) are. Enjoy the day and happy mothers to one and all.

Kingston Town Rockets

The Kingston Town Rockets team has performed consistently well throughout the 2018/19 season, only losing one match. The boys have worked incredibly hard to develop and improve their footballing skills as well as working effectively as a team. This is particularly impressive given that some of the boys have not played competitively prior to this season. The boys' hard work, commitment and dedication has really paid off, with the Rockets being promoted during the season. The boys have faced really strong opposition and have played in some tough and very exciting matches. A few of these have been incredibly nerve racking for their parents! Their attack and defence work have been phenomenal. It's difficult to single out any one player as they have all worked so well together as a team. The boys are incredibly excited (and nervous) to play in the final of the Surrey Youth League Bale Cup. To win the final would be a dream come true for them. The team has been coached by Jayden Aliperti (this is only his second season of coaching) and managed by Mark O'Sullivan. Credit should also be given to Jordan Smith-Bent who coaches Kingston Town Dodgers. The team has trained every Saturday with Kingston Town's other U11 team (Kingston Town Dodgers) and has, as part of their training regime, played against the U12s squad as well. Good luck to the Rockets! Whatever the outcome of the final, the boys should be incredibly proud of their success this season. It has been thrilling to see.

Esher Orange Colts

Esher Football Club offers teams for boys from U7's to U16's, with over 400 boys playing in the Surrey Youth League. The U11's Orange Colts were formed at U7's level and are now in their 5th season. This is their first cup final and is well deserved after coming through some tight games in the quarters and semi finals. We're hoping for a great game to entertain the parents and wish all the players good luck for the final.

Leatherhead Colts

This is a great achievement by the team who are still very much developing as individuals and as a team. We have had a mixed season but each week the boys are listening, learning and improving game by game. Each and everyone of the players bring something unique to the team, As the Manager I would like to say well done to each and everyone of the boys in the team and just go out and enjoy the game we all love to play. From me, Tony and all the parents, well done and we are all proud of you.
