A Message from the Chairperson

I would like to extend a warm welcome to all the Club Officials, players and, of course, the families and supporters of those taking part in our Cup Finals.

A special thank you should also be extended to the League Officers who have worked so hard throughout the season to organise the Competitions, particularly Frank Thompson for co-ordinating the Finals singlehandedly.

As usual, we are privileged that these Finals are being hosted at Grounds with fantastic facilities and we are grateful to Bedfont Sports FC, Leatherhead Youth FC, Manorcroft United Juniors FC, Westfield FC, Metropolitan Police FC & Carshalton Athletic FC for allowing us to use their venues this season. Thank you also to the Match Officials who have played their part throughout all Rounds of the Competition culminating in the Finals today.

My inaugural season as Chair has seen the SYL facilitate football for record numbers of children and the League continues to grow and develop. My fellow League Officers & I are proud to be involved in an organisation that brings children (and parents) together to form lasting friendships and fond memories.

I must extend my congratulations to everyone who has reached the Finals. I hope that the weather is kind and you all enjoy the experience, whatever the result.

Karen Bailey SYL Chairperson www.wsyl.org.uk

If we behave positively during practice and matches, our children will too.

By setting a good example, we'll help build a supportive environment in which everyone can enjoy themselves.

Surrey Youth League CUP FINAL OFFICIALS 2018 – 2019

On behalf of the league management committee, and of course all the clubs, boys, girls and parents I would like to take this opportunity to say a huge thank you to all the referees who have given up their time during the season to ensure we can play football. It is no easy task, and whether having been appointed by the league or the clubs themselves we owe them all a massive thank you.

Too often the person in the middle is taken for granted and performs a thankless task. Over the past few years, we have been able to appoint more referees to league matches. This is due to the hard work and commitment of the referee's secretary **Alan Wiggins**, who does an amazing job every week. The planning of this is often subject to last minute change. His role requires a particular patience and dedication not many of us are capable of.....Thank You Alan.

The league would like to thank all the officials who have worked so hard for the league this season, and especially those who officiated at our semi finals, and of course the finals today.

Special thanks to our own Development Officers **Stephen Worsley** and **Sara Williams** for their efforts in helping with new referees and mentorship. We would also like to thank **Ray Herb** and **Tim Lawrence** from Middlesex and Surrey FA, for their support to our referees and the league in general.

I hope the match officials have a splendid day, and wish all the teams involved the very best of luck.

Celebrating Football Through
Photographs and Video

Respect 

If you are concerned about the inappropriate use of images please report this to your CFA Welfare Officer or to The FA Case Manager (contact details provided below).

Remember

- It's not an offence to take appropriate photographs in a public place even if asked not to do so
- No one has the right to decide who can and cannot take images on public land
- If you have serious concerns about a possible child protection issue relating to the recording of images then call the Police. This action should only be taken where you believe that someone may be acting unlawfully or putting a child at risk
- The land or facility owner can decide whether or not photography and or videoring at football activities will be permitted when carried out on private land. However you need to make this known before allowing individuals access to the private property. If they do not comply then you may request that they leave
- Try not to use images that include individuals wearing jewellery (as wearing jewellery whilst playing is contrary to the Laws of the Game as well as being a health and safety issue).

Commissioning professional photographers and the local media

If you are commissioning professional photographers or inviting the press to cover a football activity, ensure you and they are clear about each other's expectations. The key is to plan ahead and communicate early on.

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Inform them of your club's commitment to safeguarding children and young people. Establish who will hold the recorded images and what they intend to do with them, e.g. place on a website for sale, distribute thumb nails to the club to co-ordinate sales
- Issue the professional photographer with identification, which must be worn at all times

Inform participants and parents or carers prior to the event that a professional photographer will be in attendance and ensure you have established that no under 18s will be compromised due to safeguarding children concerns if their image is taken - remember this can be done by using a Consent Form at the start of the season.

Celebrating Football Through Photographs and Video

Recommended Guidelines

There has been much talk about who is allowed to take pictures of children (under 18s) playing sport and in particular what parents/carers are permitted to do. The FA would like to assure parents, carers, coaches, spectators, players and local media that we encourage the taking of appropriate images of children in football.

Potential risks

The FA has developed this guidance to help avoid the following:

- The inappropriate use, adaptation or copying of images for use on child abuse websites on the internet (often incorrectly referred to as pornography sites)
- The identification of children when a photograph is accompanied by significant personal information that will assist a third party in identifying the child. This can lead, and has led, to children being 'groomed'
- The identification and locating of children in inappropriate circumstances which include: (i) where a child has been removed from his/her family for their own safety; (ii) where restrictions on contact with one parent following a parental separation exist e.g. in domestic violence cases; (iii) in situations where a child may be a witness in criminal proceedings; or (iv) other safeguarding children concerns.

It's important to remember the majority of images taken are appropriate and taken in good faith. If we take the following simple measures we can help to ensure the safety of children in football.

Common sense considerations to ensure everyone's safety

Do:

- share The FA's guidance on taking images with all parents, carers and members when they join the club
- ensure the club has parental consent to use a player's image if it is to be used in the public domain e.g. club website or newspaper article. This is essential in relation to point 3 below
- ensure that any child in your club who is under care proceedings, is protected by ensuring that their image is not placed in the public domain. This can be done by using a Consent Form, so that parents/carers can identify whether this applies to children in their care
- focus on the activity rather than the individual
- ensure all those featured are appropriately dressed (a minimum of vest or shirt and shorts)
- aim to take pictures which represent the broad range of youngsters participating safely in football e.g. boys and girls, disabled people, ethnic minority communities.

Don't:

- publish photographs with the full name(s) of the individual(s) featured unless you have written consent to do so and you have informed the parents as to how the image will be used
- use player profiles with pictures and detailed personal information on websites
- use an image for something other than that which it was initially agreed, e.g. published in local press when initially produced for a clubhouse commemorative picture
- allow images to be recorded in changing rooms, showers or toilets – this includes the use of mobile phones that record images.

Filming as a coaching aid

The FA advises that coaches using videoing as a legitimate coaching aid should make parents/carers and players aware that this will be part of the coaching programme. Care should be taken when storing the videos.

Ascot Utd

I would like to thank Manorcroft United for putting on the final today ! This is the first of our cup finals this year and i expect it to be a very tough game against a strong side in Sutton United. Looking back at the league games between us i think it will be fine details that will decide the winner of today's game. Ascot have had the upper hand in the two league fixtures this season with a 1-0 away win and 3-1 home win. The only two games Sutton have lost to date. I see this being a great battle with both teams trying to play great football when possible and it may come down to who is more clinical with their chances. Whatever the outcome of today's game i am extremely proud of my players this season, battling hard when needed and playing some exceptional flowing football. As a team we have really grown this season and have a great attitude to not giving up keeping belief in our passing and moving game even when it is tough to play due to conditions. So good Luck to Sutton and lets hope the boys can go out and do themselves justice and give the spectators a great game to watch ! Andy Gavin- Ascot United manager

Sutton Utd

Sutton United U12's come into this final fighting for the Premier Elite League title and with the Surrey Cup Final to follow at the end of April. They have not conceded a goal in this competition so far and hope to keep that the same on the day! Led by their captain, Riley Horan, most of the team have been at Sutton for several years and they have developed a great team spirit. Miles Harding in goal is the League's highest performing Goalie having conceded less than any other. In defence alongside Riley you will see either Peter Skorodelov, Owen Jenkins or Liam Carney. The strong pacey midfielders & attackers will be looking to control the game and they are either Zach Harris, Leo Gouveia, Stanley Kyle, Joshua Adegoke, Isaac Richards, Frankie Nielsen, Krish Chotai or George Vorster. Ascot are the only team to have beaten Sutton's U12's all season, so the boys know they are up against in the final, but they are determined to give it their very best for themselves, their managers and for all the parents, grandparents, sisters and brothers who support them every week. Simon and Paul are the managers who have steered the team to what is already a very successful first season in competitive football. Come on you U's!!!
